

Working at Reconomy

Department: Various

Register your CV with us now!

Why not take the opportunity to register your CV with us? We will contact you should a position become available that's suitable for you. We are often on the lookout for Credit Controllers, Customer Service Representatives, Administrators and Sales Professionals.

You could be joining the UK's market leader in outsourced waste management and recycling services. Our ability to optimise practical and efficient solutions onsite is a unique service offering that distinguishes us from our competitors. We put people first, whether they're our employees, shareholders, or customers. With ambitious and exciting future plans, it's Reconomy's people who drive the company forward and we are always on the lookout for new members to join our team.

Useful Skills and Experience

- Experience of working within waste/construction sector would be advantageous.
- Excellent communication skills and telephone manner.
- Fully conversant with Microsoft Office
- Experience within a fast-paced demanding office environment.
- GCSE or equivalent Maths and English.
- Organised, methodical and logical approach to work.

Registering

If you would like to register with us, please submit your CV and covering letter (with salary expectations) to our Head Office Recruitment Team preferably via email to recruitment@reconomy.com
